Could you guys be here by 10:30 on the 9<sup>th</sup>? We could meet for an hour and half or so. Break for lunch and then meet for a while afterwards and still get you the road before traffic starts.

We can do the afternoon of May 6 or anytime May 9. We are okay if we have to travel up on May 8 to do a morning meeting on May 9. Let us know your preference.

For May 9, is that anytime that day—or just afternoon?

Donna,

I checked around on schedules here and the following dates seemed the most promising.

Monday May 6 in the afternoon  
Thursday May 9  
Friday May 10 (least preferred)

We think we need at least two hours but three would be preferable.
